2011

## Welcome Back!

Despite being a very short term, this term 4 we will not be cutting back on any of the usual learning or fun end-of-year experiences. We are continuing the term 3 concept of *Sustainable Environments* into the beginning of this term so that we can all continue the positive work already begun. That will leave us a few weeks at the end of the term to reflect on and celebrate our successes throughout 2011 through our final concept of *Learning*.

We have the senior school Athletics Day to look forward to as well as the school gala, the year 5s will be experiencing their first sailing adventure at French Bay and we are fortunate enough to share in the year 6 leaving celebrations at their very special assembly.

Please ensure your child is fully prepared for the warmer weather and stronger sun with a wide-brimmed hat, water bottle, sun block applied and tops which cover the shoulders.

Thank you for your continued support.
