

Welcome back to Term 4

Welcome back to the very last term at Titirangi School for this great group of students. For many of you the practicalities of new school uniforms, new systems and new friendships will be paramount over the coming months. Change is often unsettling until the unknown becomes familiar territory. The Syndicate 6 teaching team wish you all well as you approach this time of transition.

The Year 5 students in Room 10 assure me they are well prepared to fill the shoes of the departing Year 6 students and we look forward to another positive year of learning with them.

After a somewhat wet spring break, I hope we can all look forward to warm and dry days ahead. Please ensure all students have a wide brimmed hat for this term in line with our school sun sense policy.

There are a number of outdoor events in this term, including athletics and Waterwise which students need to be well prepared for. Along with positive attitudes, students will also require appropriate clothing, hats, sunscreen and water to last the day.

This year our Year 6 graduation ceremony will be held at the Titirangi Community Hall next to the library on Friday 9th December. There will be more information in the coming weeks, but please mark this in your diaries now as we would love to see you there.

Your child will receive an end of year written report. These will be sent home on Friday 9th December, and will be available after the graduation ceremony.

As this is our last newsletter to you, it comes with our very best wishes both for the future and for the approaching festive season.
